Dear Bhuvnesh Malik,

We are pleased to inform you that your paper titled "PosePerfect : Real-Time Yoga Pose Recognition and Posture Quality Assessment" (Paper ID: 796) submitted to 2026 International Conference on Computing Sciences and Communications (ICCS) has been accepted with minor revisions based on the recommendations of the reviewers.

The reviewers have acknowledged the contribution of your work; however, certain improvements are required before the paper can be included in the final conference proceedings. Please carefully address all comments and suggestions provided in the review report.

You are requested to submit the revised manuscript along with a point-by-point response to the reviewers' comments by 20 Dec 2025 through CMT.

Complete the registration process ASAP by using registration link <https://iccs.ac.in/registration.php>
[Acceptance is subject to registration till 20 Dec 2025]

Reviewer's comments:

Reviewer 1:

Comments to Author

Abstract and conclusion should not be in different paragraphs

Conclusion will be concluded part of authors work.. dont consider it as existing or from reference work...

Reviewer 2:

Major contradictions between text, tables, figures and references.

paper mentions 9 calculated joint angles, it is not clear exactly which three landmarks form each of these 9 angles.

Verify and correct the publication dates in references

General Instructions:

1. All papers must be prepared strictly in IEEE Two-Column Format.
2. Paper Size: A4 (8.27 × 11.69 inches).
3. Maximum Length: 6 (including figures, tables and references). Excess pages (if allowed) may incur an additional charge as per conference norms.
4. Templates for MS Word and LaTeX can be downloaded from:
<https://www.ieee.org/conferences/publishing/templates.html>
5. Single line spacing must be used throughout.
6. Do not add page numbers, headers, or footers.
7. Abstract must be 150–250 words summarizing the research objectives, methods, results, and conclusions.
8. Provide 3–6 keywords in alphabetical order, separated by commas.
9. Figures and tables must be clear, labelled, and centered.

10. Captions for tables must be above the table.
11. Captions for figures must be below the figure.
12. Ensure high-resolution images (minimum 300 DPI).
13. All figures and tables must be referred to in the text (e.g., "As shown in Fig. 2").
14. Equations must be typed using an equation editor.
15. Number equations consecutively as (1), (2), (3) etc., right-aligned.
16. Reference equations in text as "Equation (1)"
17. References must follow the IEEE Citation Style.
18. In-text citation should be [1], [2], etc., in order of appearance. There should be at-least 12-15 references. There should be 3-4 recent citations.
19. Paper must be original and unpublished.
20. Similarity Score must be $\leq 20\%$ (excluding bibliography). Papers exceeding plagiarism limits will be rejected without review.

Kindly review the feedback of reviewers, make the necessary revisions, and resubmit your updated document before deadline. The revised file must be renamed as ID_ICCSC2026_revision1.docx and highlight the changed content. For example, if the paper ID is 20 then the file must be renamed as 20_ICCSC2026_revision1.docx. Also, ensure the length of the manuscript to be under 5-6 A4 pages.

Thank you for your prompt attention to this matter.
